

The 1st Production Dept.

Connector

- Including aviation series / waterproof (M8 & M12) / metal circular / RF coaxial / audio & video / heavy duty connector
- Used in electrical / electronics, power supply, machinery, transportation, LED lighting, solar energy, medical and military etc.

The 2nd Production Dept.

Precision Molds & Processing Parts

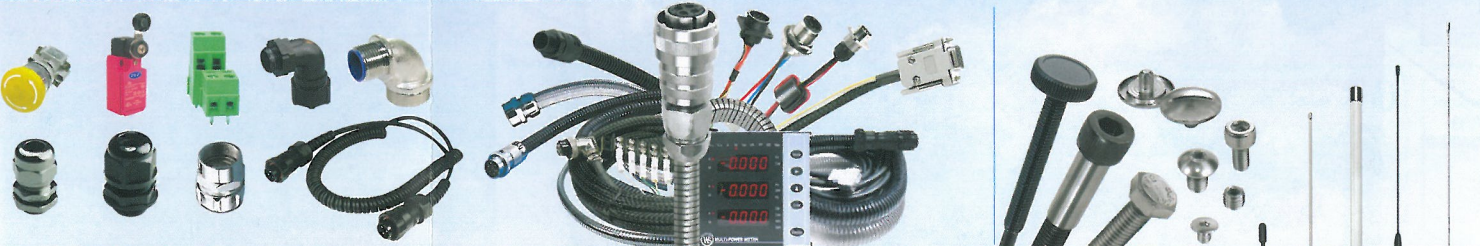

- Including stamping / plastic injection molding / die casting / CNC turning & milling / Progressive Press / rubber, silicon, bakelite injection molding.

The 3rd Production Dept.

Wire Assembly / Auto controller

- Cable assembly with liquid tight flexible conduit, nylon tube, explosion-proof flexible metal conduit and other housing components.

The 4th Production Dept.

Wireless Communication

- Including Antenna / Base / Mount / Transceiver / Earphone (JAPAN BRANCH OFFICE / TECHNOLOGY R&D / IMPORT & EXPORT)

The 5th Production Dept.

Precision Machine Design & Manufacturing

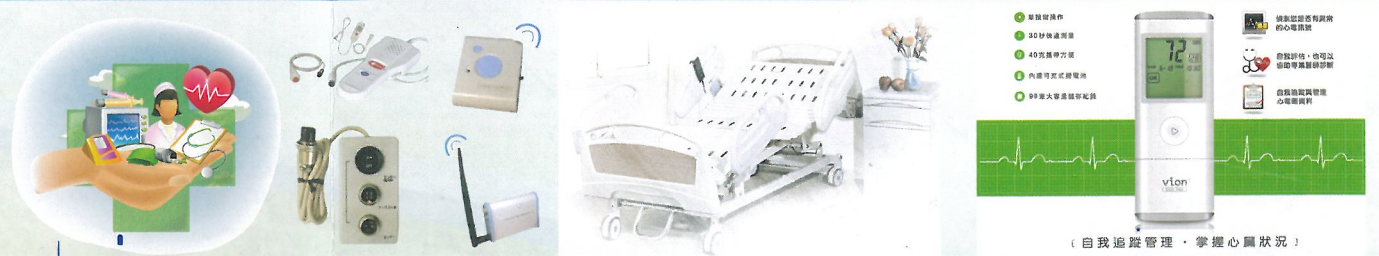

- Including desktop mechanical press / arbor press with fool-proof mechanism / CNC turning & milling compound lathe.
- Import & export distribution including compact vertical machining center / bridge-type engraving machine / oil and mist collector / drill sharpening machine / drill sharpening machine / drill sharpening machine / tungsten rod sharpening machine / high speed precision cutting-off machine / hydraulic automatic cutting-off machine / carving tool sharpening machine / chamfering machine etc.

The 6th Production Dept.

Medical Peripheral Components

- Used in nurse call system / health care / physical therapy and assistive technology devices and other peripheral products.

The 7th Production Dept.

Warehousing & Distribution Logistics

Value-added services

- OEM / ODM / Other Services.
